All about Apps

Ipad and tablet apps are a therapist/parent/teacher's new best friend! These apps make learning fun! As a bonus, they help work on areas that a child may have a deficit in (i.e.; visual perception, fine motor, sensory, balance/coordination, communication, and self-help) among others. The Ipad apps below range in price from free-\$8.99 and up. Check out the Ipad apps below:
